Lilly 3.5” HD
Handheld Video Magnifier
Portable Video Magnifier

This pocket-size electronic video magnifier is designed for people on the go! With a large 3.5” high-definition viewing screen the Lilly HD is perfect for reading price labels, restaurant menus, medicine bottles, receipts and more! And because it is small and weighs less than 1/2 pound, it will easily fit in a pocket or purse so you can take it everywhere you go. Regain your independence outside your home with this convenient little travel companion!
